New Year Kick-off – State of the City

The Metropolitan Business & Citizens Association (MBCA) is proud to once again bring to our community the annual "unofficial state of the City address" by Mayor Don Guardian. Mayor Guardian follows a long tradition of past Atlantic City Mayors who have given their new year address for the City and MBCA. 2014 had so many drastic changes and developments that we look forward to hearing the Mayors' 2015 forecasts, goals and projects for Atlantic City in the New Year.

The winter luncheon will take place on Thursday **January 15th, 2015 at Caesars Atlantic City**, Grand Ballroom at Noon. The Mayor's address provides an opportunity for the businesses, casinos and residents to get a sneak preview of Mayor Guardians vision for 2015. We are proud to be the first organization to provide a platform for the Guardian administration to address the public.
